

# CLASS LEVELS

Determine which class level is best for you

## BEGINNER

My experience in clay is limited or long ago, and I'm not very comfortable working independently. I'm seeking to learn basic clay techniques and am excited to have a good time while learning something new!

## INTERMEDIATE

My understanding of clay basics is strong but I still have lot of questions. Having taken multiple classes before I feel comfortable working independently but I'm ready to expand my knowledge and advance my skills!

## ADVANCED

My clay knowledge is expansive! I have taken classes while exploring clay independently for years. At this stage, I am looking to challenge myself with new perspectives, insights, and understandings in clay!
